Zush in Ibiza

27/01/2023 - 20/05/2023

The Fundació Suñol presents a monographic exhibition dedicated to **Zush**, an artist present in the **Suñol Soler Collection**, focused on the period in which the artist lived on the island of Ibiza, between 1968 and 1983. The exhibition has been organized in collaboration with the **Museu d'Art Contemporani d'Eivissa**, where the exhibition could be seen between the months of June and November 2022.

The years in which Zush lived on the island of Ibiza, 1968 to 1983, were a time of extreme creativity for the artist, who experimented with a wide range of formats and techniques such as fluorescent paint illuminated by black light. This exuberant diversity of artistic proposals is reflected in the current exhibition, that displays a selection of works in the space formerly known as Galeria 2, the present venue of the Fundació Suñol, where in 1984 Zush began his two-year artistic residence.

The Suñol Soler Collection possesses one of the most important groups of works by Zush/Evru, that boasts over three hundred registered works, and reveals the ties of friendship and admiration between Josep Suñol Soler and the artist.
